

SALESFORCE PLATFORM STRIKE TEAM ASSESSMENT

**RAPID CLARITY.
IMMEDIATE IMPACT.
A DECISIVE PATH
FORWARD.**

When leadership needs answers fast, our Salesforce strike team evaluates the platform and surfaces the risks and opportunities that matter most. In a focused engagement, we uncover quick wins, stabilization priorities and a clear path forward so your organization can move confidently.

Clear Insights Leaders Can Act On

You receive an executive findings brief highlighting platform risks, efficiency gaps and AI readiness, along with a prioritized 90–180 day action plan focused on stabilization and scalable growth.

Our Experts Parachute In and Get to Work

Our Salesforce strike team rapidly evaluates platform stability, scalability, efficiency and governance to identify technical debt, workflow bottlenecks and modernization opportunities.

Fast Answers. No Guesswork.

Expect a focused assessment led by senior Salesforce experts that surfaces quick wins and provides leadership with clear, actionable recommendations.

Stronger Decisions and a Clear Path Forward

Gain clear visibility into platform risks and opportunities, reduced uncertainty before further investment and a stronger foundation for scaling Salesforce and enabling AI.

Why Organizations Start with a Strike Team

This low-risk, high-impact engagement delivers clarity quickly. We assess decisively and leave you with a roadmap to stabilize the platform and prepare for what comes next. **Connect with us today at info@eimage.com.**
