At eImagine, we believe your best work happens when you are living your best life and bringing your unique talents to the table. We have built an intentional, remote-enabled environment to support both.

Recognized as a Best Places to Work since 2015, we are a team of humbly confident professionals who take pride in their craft, continuously learn, and celebrate each other's success.

For more than 25 years, we have helped clients create meaningful business value through technology.

WHO WE ARE

eImagine is a technology consulting firm helping organizations solve complex challenges, unlock growth, and increase value through modern technology.

Founded in 1998, we deliver measurable outcomes with integrity, partnership, and expertise. Our clients include government, healthcare, financial services, education, and enterprise organizations.

Our teams bring expertise in strategy, data, development, and artificial intelligence, combining technical excellence with a people-first mindset.

WHAT WE DO

We help organizations modernize and perform through our core capabilities:

-  **Artificial Intelligence**
-  **Business Analysis**
-  **Cloud and Platform Engineering**
-  **Custom Application Development**
-  **Data and Analytics**
-  **Digital and IT Modernization**
-  **Dynamics 365 and Power Platform**
-  **Microsoft 365 Solutions**
-  **Project and Program Management**
-  **Quality Assurance and Testing**
-  **Salesforce Solutions**
-  **Strategy and Advisory Services**

Our work is guided by the **eImagine Trust Advantage**, focused on alignment, transparency, collaboration and measurable outcomes.
